

Sharing stories, finding solutions

# KWP presents **Sensory Experience (Watercolour Artwork) with Emma Stenhouse**

*Emma Stenhouse is an Indigenous Artisan. Ngarrindjeri Woman. Artist. Weaver. Printmaker. Designer. Sewist.*

*Based around nature, Emma's art program is conducted as an opportunity to creatively share experiences with one another through a nature collage and in addition, create a personal artwork from these collages. This is a wonderful sensory experience that recognises that we are all shaped by our cultural background, which influences how we interpret the world around us, perceive ourselves and relate to other people.*

*Join us for a unique sensory experience with Emma and the KWP team.*
